Andrew Hill dies in crash

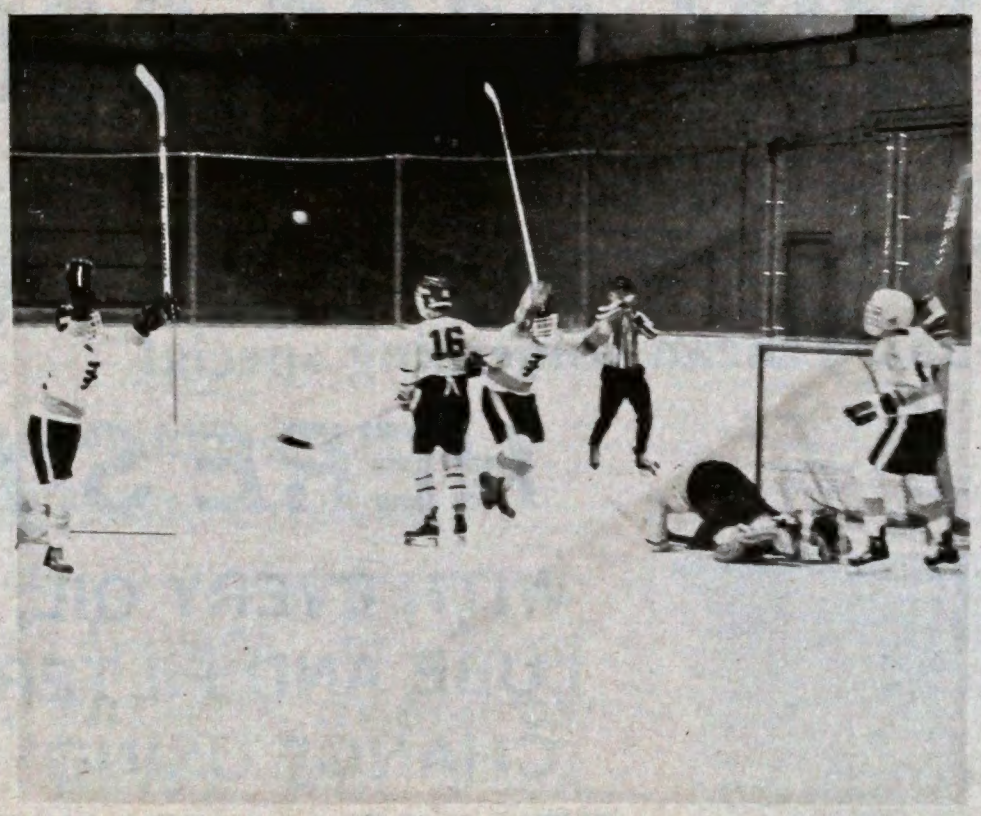
Andrew Hill, the son of Keith and Mildred Hill of Lochlin, died in a fatal automobile accident on December 28.

The accident took place between Sutton and Keswick.

"Andy" was born in Haliburton County and attended Archie Stouffer Public School and Haliburton Highlands Secondary School.

Andy was known as a quiet lad. He had been working during the last year in Toronto.

The community shares the sorrow of his parents, sister Kathy, and brothers Steven, Daniel, and Jon.



GOAL SCORING ACTION at the International PeeWee Hockey Tournament held in Minden this past week. Minden made it to the finals but was defeated by La Sarre, Quebec in the the final round.

Break-in at Mae's

Intruders broke into Mae's Country Mart in Minden this past week.

Sometime during the evening of December 27-28, persons unknown attempted to pry off the door lock but were unsuccessful. Damage was estimated to be $25.

The investigation continues at this time.

New Owner

Minden has a new businessman and the Minden Texaco has a new owner.

Russ Paul, a thirty-three year old man with ten years of experience as a licensed mechanic behind him, has purchased the Minden Texaco for Chessel Nesbitt and has commenced operation of that business.

Russ came to Haliburton County five years ago and has spent four of those years working at the Riverside Garage in West Guilford.

Changes Hands

We are pleased to announce that Riverside Garage in West Guilford, formerly owned by Merrill Barry has been purchased by Ken and Betty Hardy, formerly of Bramalea.

New Years Baby 9 lb. 4 oz.

While Canada's first baby born in the New Year 1979 apparently made an appearance a few seconds after midnight in Ottawa, Haliburton County's candidate for that honor was not far behind.

Weighing in at nine pounds and four ounces, Heather made a 2:45 a.m. arrival at the Red Cross Hospital in Haliburton Village.

Heather is the darling daughter of Christine and Gary Bailey.

OPP Ski Trace starts

The Minden Ontario Provincial Police Detachment has directed their attention to the ski slopes recently as part of a program to help people help themselves.

Crime prevention in this case is directed toward avoiding the loss of skiing equipment through theft.

A "Ski Trace" program that was initially sponsored by Labatts was continued under the auspices of the OPP this week when Constable Wyn Magee spent the day at a local ski resort recording the registration numbers of equipment as well as the make and model. Bindings and skis were identified in this way.

Constable Magee noted that ski theft is, at this time, a problem in other communities.

Stickers which are provided can, themselves, serve to discourage theft since a would-be thief would realize that the items could be readily identified as a result of the program.

The constable pointed out that most people do not know the registration number on their equipment offhand and that, for travellers, inter-provincial co-operation makes the identification of stolen goods feasible when these numbers are recorded

CRTC FM Hearing delayed

The Canadian Radio-television and Telecommunications Commission has re-scheduled the public hearing for a new FM station to serve Parry Sound, Muskoka and Haliburton. The hearing will be held in Peterborough beginning February 28, 1979.

CILK-FM president-elect Cyril Fry says the change in time and place of the hearing will not materially effect the application or the company's plans to create the station.

The station, if licensed, will operate at 99.5 on the FM dial with a power of 100,000 watts. The transmitter site will be near Dwight and studios in the Utterson-Port Sydney area. Officially the CRTC has designated the station as being "near Huntsville".

Scott presses DREE Status

Bill Scott, M.P. Victoria-Haliburton indicated recently that he will continue his efforts in the New Year to secure designated status for this riding through the Department of Regional and Economic Expansion.

The local Member reported on recent developments in his on-going struggle to have the Federal agency consider Victoria-Haliburton as an area entitled to Government incentives for job creating programs.

It will be recalled that in recent months various other areas of Canada, including the Prime Minister's Montreal riding of Mount Royal have been granted status to accept Government aid for businesses.

Many individuals in Victoria-Haliburton find it hard to understand how their local area can thus be justifiably excluded from similar assistance.

On December 1st the local Member continued his inquiry in the House of Commons and secured from the Minister of Regional and Economic Expansion a concession that his Department was looking into possible ways to implement a new program.

The Minister, Honourable Marcel Lessard reported that as yet he was not ready to declare a designated area for the Victoria-Haliburton region but in a letter to Mr. Scott received December 4th, reported that he did not rule out the possibility of further extension of the boundaries in Ontario in the future.

Mr. Scott reports that he will continue his efforts on behalf of the local area.

The Member is working jointly with the County Council of Haliburton and reports that the Ontario Ministry of Treasury and Economics is currently involved in an economic development study for Haliburton and district.

Hopefully, that report will give added weight to the Member's presentation to DREE.

Bomb Scare Empties Legion

The Canadian Legion in Haliburton Village was evacuated on New Year's Eve after a bomb scare.

At about 10:30 p.m. a threatening phone call was received by a Legion employee stating that a bomb would go off in the building at 11:00 p.m.

O.P.P. Constables Connelly, Durham and Legge were already present, having been called to quell an earlier disturbance.

The constables evacuated the 200 persons present and conducted a search.

Charles David Shaw, 53, of Haliburton was later charged by O.P.P. with making a threatening call.

Mr. Shaw had been refused admittance to the New Year's Dance earlier in the evening.

Daughter of County pioneer family dies in Toronto In 92nd Year

A daughter of one of Haliburton County's early pioneers died in Toronto this week and was buried in Kinmount following a Minden funeral.

Esther McCluney Armstrong was born and raised at Furnace Falls on property that her father pioneered.

As a young woman she moved to Toronto where she operated a beauty salon.

Throughout her life Mrs. Armstrong demonstrated the strong spirit of her forbears, maintaining until the present time, her own home in the city.

Difficult encounters which she experienced during her lifetime included a confrontation with an armed robber in her Toronto shop. Mrs. Armstrong was shot in the back; and the bullet, which lodged near her spine, remained with her for the rest of her life.

Having lived for some years as a single business woman, Esther became a bride at the age of sixty when she married her childhood sweetheart, Jack Armstrong.

Mr. Armstrong, who had been born in Irondale and emigrated to the United States, had retired from work with the Standard Oil Company and had come back to Ontario on a visit from his California home.

While he was visiting his old school friends, Jack met and successfully courted Esther McCluney.

The McCluney family emigrated from County Antrim, the village of Ballaminy. Esther's grandfather was a knitter and he utilized his trade at a mill in Collingwood.

Esther's father was one of the first to take up a free grant in Snowden Township when that district was opened and he built the first house on that property with his own hands. A large house was later constructed and that is where Mrs. Armstrong was born.

Esther McCluney Armstrong loved to travel and was a frequent visitor at the home of her nephew Reg McCluney up until the last year of her life.

In addition to Mr. McCluney, she is survived by a sister Agnes (Mrs. Reg Crego) of Orangeville; neices Gladys (Mrs. Lloyd Crego) of Stittsville and Francis (Mrs. Bill Hamil) of Orangeville; and nephew Rex Crego of Florida.

Mrs. Armstrong had five brothers, Archie, Bill, Russell, Andy and Francis.

AROUND THE TOWN

By Jeanne Sears

To tell the truth, I am not much for New Year resolutions, but here's one –

To leave the old with a burst of song,
To recall the right and forgive the wrong;
To forget the thing that binds you fast
To the vain regrets of the year that's past;
To dare go forth with a purpose true
To the unknown task of the year that's new;
To help your brother along the road,
To ease his work and lift his load;
To add your gift to the world's cheer,
Is to have and to give a Good New Year!

Anonomous

Our home had confusion some of the Christmas time with guests being, the Reg Leamans of River Drive Park, Muriel Ewing and boys and Sandra Sears all of Toronto, the Glens Sears of West Hill and the Paul Warburtons.

Mrs. Harold Hogg (Lily) enjoyed several weeks with the Taylor Hoggs of Kirkland Lake and also Clara and Howard Hogg and Dave of Parry Sound were visiting the former family.

Foster Loucks who is business administrator at a Hospital at Inverness, Cape Breton, with wife and daughter, spent a few days with his father Vinton Loucks.

Emma and Earl Hewitt are home again after a pleasant visit with Mr. and Mrs. Ron Davis and family at Timmins.

There were two Mini Card Parties since the last issue; winners on December 21 for cribbage were Joyce Hewitt and Ethel Leigh and for euchre Agnes Taylor, Phil Robinson and Della Griffin.

Winners for December 28 for cribbage were Joyce Hewitt and Cora Hewitt and for euchre lone hands Agnes Taylor, Mary Maidens and Alice Clark. These card games start in St. Paul's Parish Hall Thursdays at 1:30 and anyone is welcome to come and join "our gang".

The Brown Owl had draws on goody boxes during the holiday season and first draw winners were Harry J. Cowan, Bert Chatten and Jack Briggs; second draw winners were John Statley, Leslie Alton, Jr., and Jeff Chretien.

Ann and John Rockory enjoyed a bus trip to Florida and holiday during the festive season.

Sincere sympathy goes to the families and friends of the late Annie Iles, Emma Henderson, Esther Armstrong, Gladys Romeyn and Andrew Hill whose funerals were since last issue.

Margaret Miller, Royce Miller, Lydia and Angus Coulter spent Christmas day with the Leslie Coulters at Kirkfield. Gerald Coulter of Toronto also was present as he was a weekend guest with his parents.

Mr. and Mrs. Paul Yearwood and family of Sudbury visited their parents over the holiday weekend.

All their friends send good wishes to these people who are in or have been in hospital. Reta Hodgkinson, Agnes Fleming, Stan Briggs and Bill Elecome.

Holiday guests with mrs. Basil Hewitt were Kirk Hewitt of Sudbury, Kim Hewitt and the Bob Bonspiels of Oshawa, and the Paul Yearwoods of Sudbury.

Yvonne Beaucage, and daughters Joanne and Tracy Jarrett spent the holidays with Mr. and Mrs. Peter Jarrett and Stacey of Wasaga Beach.

Mr. and Mrs. Roy Courtney spend some holidays with Heidi and Peter Courtney in Toronto.

Guests during the holidays with Mrs. Ern Hewitt included Colin Hewitt, Foster Hewitt, Neil Hewitt, the Alec Beatties, the Fred Hewitts, Bill Barry of England, and Dave Pink of Orillia.

New arrival is a baby girl for Judy and Wayne Johnson and another grandchild for Donna and Les Johnson and the Max Boices.

Mrs. Ruth Stewart, Debbie and Johnson spent several days with her father Jack Johnson.

Holiday guests with their mother Mrs. Harold Morrison were Lynne and Craig Morrison of Toronto and Myles Morrison of Hamilton.

Della Griffin and Jack Johnson spent Christmas with the Gerald Griffins of Haliburton.

Mrs. John Hewitt was away spending Christmas time with Mr. and Mrs. Frank Addison and family of Scarborough.

Winners of the draws at Home Hardware; the trip went to John Stibthorp and the dog, David Coulter.

Mike's Milk had goody boxes with winners being, at Minden, Mike Colliss and at Haliburton, Elizabeth Cepecauer.

Now the holiday season is over and it's back to work or back to school, take time to look outside at our beautiful scenery and if you need a lift, visit someone who can't get out and cheer them up, and yourself at the same time. Winter is here for sure so take care, leave in good time and you won't have to hurry.

Cheerio until next time.

FROM THE CHAMBER

By Bob Stinson

DON'T FORGET "TREAT THEM ROYALLY"

All indications have suggested that this may be our busiest winter yet here in the Highlands. Snowmobile sales are reaching record levels and cross country skiing participation has been doubling every year. During this week between Christmas and New Years the office has been extremely busy helping out various winter sports enthusiasts with their inquiries.

So at the beginning of another tourist season, and with this in mind the Chamber is making arrangements to keep the office open seven days a week throughout the busy winter season. It is therefore in the best interest of all members to make sure we have an adequate supply of your brochures, cards, price lists or anything of interest to the general public on hand.

Last summer the Ministry of Industry and Tourism introduced the We Treat You Royally campaign which all of us should wholeheartedly support. The campaign is intended to be continuous and with our second tourist season just getting underway, may we suggest you dig out the campaign buttons, posters and stickers and treat them royally attitude, and make sure our visitors do feel welcome and wish to return again.

NEW SLANT ON ECO MIC DEVELOPMENT

During the recent municipal elections virtually all candidates stressed the importance of acquiring light industry for their areas. The need for light industry, like motherhood, cannot be disputed but acquiring it is another matter entirely. Competition throughout Ontario and indeed Canada, is fierce in industrial development and in some areas a full time economic development commissioner is considered highly successful if he can manage to land even one new industry for his area in a year.

County Council in their inaugural meeting recognized that a fresh approach must be taken to this problem and have decided to work in close co-operation with the Chamber to develop a meaningful economic development commission. Details of the new commission have yet to be worked out but president John Hogg has indicated the Chamber welcomes the challenge and will work hard towards realizing concrete results.

The staff of the Ministry of Treasury and Economics that are involved in the economic survey of Haliburton County met with us last week to discuss Chamber involvement in their study. We look forward to getting a considerable amount of help from these people in setting our goals and directions realistically.

Workshop sessions will be planned over the next two months to provide some input from our membership that may be helpful in assessing our problems and the solutions. We are pleased to say that this would appear not to be just another study that is provided, read and put on the shelf but a very sincere effort to provide members of our community with some very real advice and assistance.

ANDY HILL

Two summers ago Andy Hill was employed by the Chamber as foreman on a Young Canada Works program which was involved in repairing, painting and redecorating the Chamber office and the Information Caboose at Haliburton. We were shocked and deeply sorrowed to hear that Andy was just killed in a tragic automobile accident near Newmarket.

Our sincere sympathy goes out to his parents Keith and Mildred Hill of Ingoldsby. We at the Chamber, and Lorri and Sheila who worked with Andy will cherish fond memories of our association with him.

LET'S LET THEM KNOW

It is time that the people of Haliburton ask a few questions. It is time that they get some straightforward answers.

It is not satisfactory that decisions changing medical facilities, closing railway lines or ignoring development needs be made elsewhere for the people in this area.

The work and fortitude of local people have kept this county going for over a hundred years.

The provincial and federal governments have steadily received benefits of our productivity.

We, along with all the other communities across Canada, provide the funds and the authority from which higher levels of government derive their right to be.

Our community has the right to insist that all of our present facilities remain operational, indeed, that they be improved and enlarged upon.

We are well into the last quarter of the twentieth century. It is not acceptable to have distant officials take steps that would turn our community back toward frontier conditions.

Why should anyone presume that, in an era of heart transplants, we should be content to have removed any part of an outpost medical facility?

No one can persuade us that a journey of say, three-quarters of an hour, cannot be fatal to someone requiring moderately sophisticated medical equipment.

Our lives are equally valuable as those of people living in the city and our environment at least as hazards

Or, why should they consider depriving us of any railway facility whatsoever when the world at large has moved into the era of interplanetary travel? We are scarcely served in our requirements to get to Toronto.

To further define our position, let us examine the fact that a simple adjustment such as having our area designated for DREE could mean being able to substantially increase our prospects and eventually our contributions to the common purse.

Let us not ask for help. We help ourselves. Let us require the respect and co-operation that is our due.

Let us examine the definitions that are applied to our community, the cutbacks, the designations, surveys and run-a-rounds.

Then, armed with knowledge and determination, let us firmly address ourselves to getting the co-operation that we have every right to secure.

On this page, in the coming year, we will bring to your attention, facets of these problems for your to examine. Let us work together to build the stepping stones to a prosperous new year, to a prosperous new era.

LOT LIKE A FAMILY

A weekly newspaper is a lot like a family. There are a lot of people of all ages and interests involved in a community paper.

They share the problems and the good times. There is a lot to give and take.

Some of the "family members" work full time as chief cooks and bottle washers; the publisher, editor, typesetter, reporter, adman.

Some contribute by reading the paper and by their activities which constitute the news.

There are some important relatives in the picture whom we would like to mention today. They are the correspondents.

This family is pretty darn lucky. We've got correspondents who are tops. They are accurate, helpful, involved in their communities and a joy for an editor to work with.

Let's have three cheers for them, everyone.

LUCKY TIMES - "THE TIMES" is lucky enough to have some terrific correspondents. Yvonne Penney, who brings our readers "A Penney's Worth of News from Carnarvon" provides lots of news from her area. How Mrs. Penney manages to sandwich writing for a newspaper is among her many activities is a bit of a mystery. Among her responsibilities is the vice presidency of the Zion United Church Women and the treasurer's position with the Haliburton County Chapter for Children With Learning Disabilities. She is also Snowy Owl for the Carnarvon Brownie Pack. All this and Yvonne is a busy homemaker for her husband Cec and their two teenage daughters.

December was much milder than normal with slightly less than coverage precipitation which was for the greater part in the form of snow.

Although most lakes are frozen over, ice is not too thick and should be well tested before travel.

County Fair underway again

Plans for the Haliburton County Fair are underway again. This year will mark 115 years for the event.

While the Fair is sponsored by the Minden Agricultural Society, everyone in the county is welcome to participate.

President Loretta Nesbitt told The Times, "We'd like more people from the county on the board, the purpose is to make this county-wide."

Mrs. Nesbitt notes that "the response to the fair is wonderful including outside the county. Anything we ask, we're usually granted."

Anyone interested in participating is invited to call Loretta Nesbitt at 286-1455 or the organizations secretary, Helen Johnson at 286-1573.

FEDERAL BUSINESS DEVELOPMENT BANK

Opening new doors to small business.

REPORT FROM QUEEN'S PARK

By John Eakins, M.P.P.

Religious Groups get Special Land Rights

Under a bill introduced by the Government, land-owning privileges will be extended to all religious groups. Currently, such privileges are only available to Christian and Jewish organizations, who may own property without having to record a new deed of transfer every thime there is a change in trustees.

The new law extends the same benefits to any "association of persons that is charitable...organized for the conduct of religious worship, services or rites, and that is permanently established both as to the continuity of its existence and as to its religious beliefs, rituals and practices." Specifically listed are Buddhist, Christian, Hindu, Islamic, Jewish, Baha'i, Longhouse Indian, Sikh, Unitarian and Zoroastrian groups.

The Government also introduced legislation to make industry responsible for the clean-up of all spills involving toxic substances. It includes a provision that if industry does not clean up a spill rapidly enough, the Environment Ministry will move in, do the job, and bill the companies responsible.

The Bill, described by the Minister "as unequalled in Canada", is designed "to impose clear responsibility for cleanup and to enable my Ministry to take immediate control of the situation if required."

In an interview, he stated that the Government has "no clear authority to go in and clean up a spill. Now, we'll be able to go in and clean it up right away. That will solve a lot of problems."

Liberal Environment Critic Murray Gaunt called the bill "a substantial step forward. It's something we've been advocating and pressing for for a long time." He said the Liberals have had "great difficulty in trying to convince the Government that this is the move they should make."

This legislation was prompted by a number of spills involving toxic industrial contaminants in recent years in which immediate cleanup procedures were impeded because of inadequate provisions in the Environmental Protection Act.

For example, there was a major spill near Dowling, located some 30 miles northwest of Sudbury in November 1973. About 1,000 gallons of transformer oil containing toxic polychlorinated biphenyls (PCBs) were spilled when a CP rail freight train derailed and split open two electrical transformers.

The Enviroment Ministry was severely criticized for allowing this spill to deteriorate. A tribunal of the Environmental Appeal Board ruled that "it is clear that by delaying initial cleanup instructions until June 1976, the Ministry had allowed the situation to deteriorate from serious to catastrophic."

The last days of the session were quite hectic. A number of ministerial statements were made, and the House passed Bill 70, providing for comprehensive health and safety coverage of most workers in the Province.

Summing up the budget debate for this party, Ian Deans (NDP Wentworth) gave his last speech as a member. He plans to resign his seat soon, and will rejoin on February 1st the Hamilton Fire Department, where he had worked prior to his first election to the Legislature in 1967.

The appointment of Mr. Justice Donald Morand of the Ontario Supreme Court as Provincial Ombudsman was endorsed by all parties in the Legislature. The motion making the appointment was introduced by the Attorney-General and seconded by Liberal Leader Stuart Smith. It passed easily, with little debate.

Dr. Smith and the Leader of the NDP paid tribute to Judge Morand as a respected jurist, and said they were looking forward to working with him in his new position.

Ontario Grant To Dysart

A $5,000 Ontario grant will be used by the Municipality of Dysart toward the purchase of additional land for five-acre Head Lake Park.

The park is situated on the east shore of Head Lake, in the village of Haliburton. Its southern boundary extends 650 feet along the Drag River and north to Park Street.

Natural Resources Minister James A.C. Auld said the proposed purchase of five to six acres of land from the Canadian National Railways will extend the park further south across the Drag River, along the Head Lake shore.

Fenelon Gets Federal Grant

Bill Scott, M.P., Victoria-Haliburton was pleased to learn recently that the Fenelon Lawn Bowling Club has been granted assistance through the Federal Department of National Healthand Welfare to assist in the completion of the new lawn bowling greens.

The assistance is made available through the New Horizons Program and will assist the club in installing an adequate watering system to ensure sufficiently steady nourishment of the greens.

President Ross Wilson of Fenelon Falls indicates that some 90 individuals in the Fenelon area are involved with the Club and other interested seniors are invited to contact him for further information.

Help create student jobs. And we'll help you.

Young Canada Works is a federal government job creation program designed to fund projects which improve the skills and future job prospects of students.

Get your group or organization to think of an idea. If it will create at least 3 student jobs lasting from 6 to 18 weeks each between the months of May and September, then Young Canada Works may be able to help you turn your idea into reality.

Your project should benefit the community and must meet all the program requirements.

Apply today. Application forms and guides are ready now at your nearest Canada Employment Centre/Canada Manpower Centre or Job Creation Branch office.

Application Deadline February 2,1979.

HALLS LAKE NEWS

By Doreen Stinson

Stinson's Store Has New Proprietors

Good Luck to the changed newspaper!

Changing with "The Times" is the old saying and since I mentioned last week that I might not be writing another column just wanted to say I hope you will drop in on Mary and Art Jones who are taking over Stinson's Store right away.

They will operate it much the same with the coffee pot on each day and a good supply of groceries, meats, and dairy products as well. Drop in and have a cup of coffee and say hello to this fine couple!

The Stanhope Firemen held their annual Christmas party this Saturday afternoon with a good turnout of seniors and children as their guests. Several of the local people were invited to attend.

Just received an invitation to the wedding of the Conway's younger daughter in North Carolina. They have a nice cottage over on the sandy beach of Hall's Lake. Barbara is a nurse and is to marry a doctor on December 27th and several people up here will wish to send their best wishes, I am sure.

Glad to see Miss Ella Forsyth back at Mrs. Bursey's where she will remain over the festive season.

Sunday is the annual Christmas concert at Carnarvon United. They always put on so many worthwile items and have such a good time with the children being highlighted.

The Auxiliary will be in charge of the Christmas party next Thursday afternoon at Hyland Crest when the gifts are distributed by that jolly old gentleman in red.

All the best to everyone everywhere. I will be in Mount Forest over the holidays. Thanks to all my friends. Over the 17 years here at Hall's Lake, one learns there are some fine people around whose friendship one appreciates.

SNATCHES FROM YESTERYEAR

By Jay

Fair Over 100 Years Old

At one time in the 1860's and later a cheese factory was in operation on Bobcaygeon Road across from our public school.

Mr. M. Brown, Postmaster, did the clerical work, selling some of the cheese in Lindsay. Cheese-makers were Messrs. Lapp, Clarke, and Tom Walling.

The milk was collected in 20-gallon cans by Alex Campbell using one large mare and a light wagon; later this was done by Dave Whistle then Tom Gouldie. All cans were picked up by 7:00 a.m. so everyone had an early start.

In mid-June the cheese was ready to cut. The carrier delivered the order with price from 8¢ to 10¢ a pound and cost deducted from your next load. The factory was closed in 1915 or about that time; all this information was given by C.P. Rogers.

Minden Fair has been going on for well over 100 years, but at one time it was in the Spring. Also, at this, you could sell your stock or articles on the last day of the Fair. This was a grand time to visit with friends who lived too far away to waste time visiting.

In recent years, the date for our Fair has moved into August so that our summer folk may bring their children to see the livestock and crafts as well as home baking. Many of the directors are descendants of the original founders of our Fair though now it is county-wide.

An early basket-maker was Joe Burns who lived near our "corner store" and he also wrote an inspiring verse in the first World War years.

At one time there was a small factory in a building (Doug Pritchard) in which power was made by horse on a turn-table and here barrel staves were made, for in early days everything was packed in barrels, and this was the property of a Mr. McDougall.

An important man was Joe Harrison, who lived on Gull Lake and he made wooden pumps and many a well was dug by him for early settlers.

A few notes about the Red Cross in our community: there are in the area of 100 children who receive swimming lessons through this society.

In 1955, definite plans for an Outpost hospital to be built in Minden were underway. An intensive campaign including everyone in the vicinity and also our summer visitors was soon in progress, directed by the late J.M. (Mac) Riwin.

By October 15 of that year, $13,000 had been raised toward the hospital building. The balance was donated by the Provincial and Federal Governments and Canadian Red Cross Society.

In June of the following year 1956, the hospital in Minden was officially opened by the Honourable Leslie Frost, Premier of Ontario.

Dr. Agnes Jamieson, was the resident Physician at that time, and Dr. Lodenquai is now in charge and practices in his clinic adjacent to the hospital.

Some information on the Progress Newspaper. It was begun in Fenelon Falls by Charles Stevens in 1960 and his assistant shortly after was Alan Roy Capon. As it became successful, it was set up by Mr. Capon in Minden but still printed in Fenelon Falls.

In 1963 all operation was moved to Minden then (have not date, please fill us in). Al Greir purchased the newspaper and built beside the IGA (now Mike's Milk) and here it continued until 1973, when the Bill Foote Family took it over.

They continued in that building then moved across from the funeral Chapel to the G. Stamp building. Late in 1978, Grenville Stamp and Ron Gamble recently took over the operation and now this paper has a new name, *"The Times"*. Rob Allington is now the publisher-editor.

Women's Institute

Nineteen members and two guests met at the United Church Hall on December 20 for the Women's Institute Christmas meeting. Their president, Mrs. L. Cox received everyone on the stormy evening and read a Christmas welcome.

After the usual reports, Mrs. W. Moore, convenor, reported sending 17 good wishes cards and 94 Christmas Cards. Collections for this and Pennies for Friendship were taken.

The correspondence was read and many had sent us thanks for sending them cards.

The Roll Call of a Christmas verse brought us thoughts of the holiday season. Final arrangements were made for the next meeting. After the adjournment all joined in singing of familiar Christmas Carols accompanied by Mrs. Phil Robinson.

Mrs. M.J. O'Neill was Santa for the Exchange of gifts and Mrs. A. Kernohan for Secret Pals Gifts. Everyone enjoyed the bountiful lunch in its festive setting.

A sincere welcome to any ladies who would like to join us at the January 17 meeting at St. Paul's Parish Hall at 2:00 p.m.

A PENNY'S WORTH OF CARNARVON NEWS

By Yvonne Penny

Christmas Eve brings standing room only at Carnarvon United

It was standing room only at Cararvon United Church on Christmas Eve. The service of Christmas music was well received by people from Haliburton, Minden and the surrounding area as well as many visitors to the area.

Nice to have Don Wright and his two sons join with us on their trumpets.

It warms your heart to realize that in this very commercial time, so many people really do appreciate the true meaning of Christmas.

Many young people were at home to spend Christmas with their families.

Some that I saw were Sandra and Lynn Barnhart and Mark Fennell of Peterborough, Ralph Johnson of Lindsay, Roger and Barb Harrison and family of Oshawa, Paul and Gwen Harrison of Montreal, Peter Doey, The Wallace girls from Tillsonburg and Ottawa, Rick and Carolyn Kinsman, Ken and Dick Stouffer, Ken and Sharon McKay, Paul and Pat Arsenault and no doubt many others.

Ken and Gloria Bannon and Sandy went to Trenton on the weekend to share Christmas with Gloria's parents and returned Christmas Eve to spend the big day with Ken's parents at Hawk Lake. Ron and Nina Bannon and children, also Terry and Charlene and son spent Christmas with June and Ken.

Ella and Fred Toye had all of their family home for Christmas and had quite a house full.

We certainly have been blessed with good driving weather over the Christmas season.

Marilyn and Bill Skelding had a new arrival on Tuesday night - a baby boy, 6 lb. 1 oz. born in Haliburton Hospital. Congratulations to proud parents and grandparents.

My husband and I and girls went to Bomanville on Wednesday and returned Thursday to more cold weather. We had a nice visit with my sister, Fern Lake. You fellows around Carnarvon will be glad to hear that I now have snow tires and shouldn't need to be pushed quite so often.

Muriel and Natasha Robb had Muriel's mother, Mrs. Alice Smith visitin the week before Christmas. They then went to Toronto and Newmarket to spend some time with Muriel's brother and family.

We will miss Doreen Stinson at the store at Hall's Lake. It was always a pleasure to drop in for a coffee and a chat with Doreen. Good luck, in whatever you plan Doreen. We'll miss her column in the paper as well.

I was speaking to Dorothy Wallace this morning and she says her mother is progressing nicely in the General Hospital in Toronto. All the best to you, Vi.

Judy and Wayne Johnson announce the arrival of a new daughter, Sarah Marinda, 7 lb. 15 oz. born Friday, December 29th at Rose December 29th at Ross Memorial Hospital in Lindsay. Congratulations.

All the best to all readers for 1979. Drive carefully over the weekend. Better yet, Walk, its safer.

SENIOR LEAGUE

By Lily Rawlins

1978 Reflections

Here we are at the beginning of a new year again but just for a moment I would like to reflect on some of the highlights of '78.

First of all the formal dinner party held the end of January each year had a larger attendance last year than previously and already the residents are talking about the one for this year.

We had a number of bazaars this year, it has become a tradition to have a "Grandmother's Tea" close to Mother's Day.

However, it was unfortunate that another bazaar was held in Haliburton the same day plus the fact that the weather didn't favour us either. The result was we had so much left over that we held another one later in the summer.

In November the Hyland Crest Auxiliary held their annual Christmas Bazaar making it three bazaars we took part in.

Senior Citizens Week was a busy time at the home with barbecues, a picnic at Dorset, a Garden Party and of course the annual "Over 70's Dinner" when about 250 sat down to a delicious chicken dinner.

We have had three visits from the "Happy Wanderers" of Coboconk and we have had one visit down there. Archie Stouffer School Children have paid us some visits to entertain us both at Christmas and in the spring just before their holidays. Another highlights was our Carnival complete with Clowns, games and our own "Gypsy".

We have taken part in three parades the Winter Carnival and the Summer Rotary parades in Minden and the Legion one in Haliburton.

We have had more bus trips this year than ever before including a shopping trip to Oshawa and one to Victoria Manor in Lindsay for lunch.

The residents gave a Wine and Cheese Party in honour of the staff and the following week the staff put on a Christmas concert for the residents. I am not sure who had the most fun, the audience or the performers.

The Auxiliary also provided the Christmas tea party complete with a gift for everyone delivered personally by Santa himself.

These are some of the highlights but we would like to take time to thank the people who take time each and every week to be of service to the residents; ministers from all of the churches, the Kinsmen for helping with the weekly bingo, the groups who faithfully come for the tea parties each week, Mrs. Grace Coburn for taking the Friday sing songs and Norma Barron and Lucille Clarke who play the piano. Fred Ballard for the many times he has played the organ.

Last but not least the volunteers who help with so many activities and the tuch shop, many many thanks and a warm wish for a very happy new year to all from the residents of Hyland Crest.

Snowmobile Grand Prix offered at Wasaga Beach

The Molson Kawasaki Klassic, January 20, 1979, will provide the Wasaga Beach Winter Jamboree with snowmobile racing. The Grand Prix course is laid out along the Nottawasaga River and the beach. The length of the course will be five kilometres (3.1 miles).

The Winter Jamboree weekend begins Friday evening, January 19, with a snowmobile torchlight parade. Organizers expect over 150 sleds to participate in the 10 kilometre (6.2 miles) ride. As the parade starts up the Nottawasaga River each rider will be given a torch.

The kilometre-long ribbon of fire is due to arrive at the Nancy Villa at 10:00 p.m. The riders will then be invited to join in a chili and hot chocolate feed, around a giant bonfire, hosted by Molsons and Kawasaki.

"This is a fun weekend and the torchlight parade is only the beginning", said Gus Ellis, General Chairman of the Wasage Beach Winter Jamboree. "Saturday is so full of snowmobiling activity someone will need two machines to try and keep up." continued Mr. Ellis.

Saturday is the day the "ice flies". The Grand Prix snowmobile race for the Molson Kawasaki Cup should provide enough action to excite the most timid spectator.

Seven classes will challenge the Grand Prix course, with racing starting at 12:00 p.m. Some of Canada's top riders will be present to test their skills in adapting to the unique layout.

Peter Vanolder, winner of many major events last year including the Kawartha Cup, Bob Timlock and 14 year veteran Cliff McWebb will assure the spectators of competitive racing.

The feature event, for all classes, is scheduled to begin at 3:30 p.m. The 10 lap, 50 kilometre (30 mile) race is expected to be the most exciting of the day as racers vie for the Molson Kawasaki Cup and the victor's share of the $4,000 purse. CTV's "Wide World of Sports" will be there to record the action.

After the awards presentation for the Molson Kawasaki Klassic, entertainment continues.

Saturday evening, January 20, 1979, for those who still have any energy there will be two dances. The Nottawasaga Recreational Club will host one dance at the Wasaga Stars Arena.

The Wasaga Beach Snowmobile Club will host the other at the Oakview Community Centre.

For those who would rather "do-it-themselves" there are miles of groomed snowmobile and cross country skiing trails in the nearby Wasaga Beach Provincial Park.

Kelly Jowett, a resident of Wasaga Beach and a part time student at Georgian College, is Miss Ontario Snowmobile. Miss Jowett will be presiding over the whole Jamboree weekend.

Sunday will be an easy day after the hectic pace of the Molson Kawasaki Klassic and the dances. The host clubs for the dances become the guides for the trail rides on Sunday.

The guided rides begin at Noon and will be repeated every half-hour to 2:00 p.m. The rides will only be open to licenced and insured snowmobile(r)s.

Organizers are predicting the total number of people enjoying the weekend to exceed 5,000.

Huskie Dump Bancroft As Brown Picks Hat Trick in Rookie Game

New acquired Dave Brown paced the Huskies to an 8-4 victory over Bancroft at the Dysart Arena last Friday evening.

Brown was acquired late Friday afternoon from the Minden Juveniles after seeking his release to join the Huskies. Brown fired three goals and added two assists for a 5 point evening.

The Huskies fell behind 2-1 in the first period only to bounce back in the second and third to down Bancroft 8-4.

Brown looked impressive for the Huskies and will add the scoring punch which is needed on the team.

The Huskies this year have been up and down but with the stretch drive ahead, they will have to play consistent hockey.

Henry Pristol of R.R. 1, Minden was the winner of the Huskies trip to the Bahamas.

FOOD PROCESSORS BEING RECALLED

The Canadian Standards Association (CSA) is urging consumers who have "Le Gourmet Food Processor" Model 8000 to return them to their retail store because of potential hazards.

Most people use guns responsibly... a few don't.

Canada's gun laws require that anyone wishing to purchase, borrow or exchange a firearm obtain a Firearms Acquisition Certificate from police.

Certificates cost $10.00 and are valid anywhere in Canada for five years, allowing the purchase of any number of guns with a single certificate during the five year period.

The purpose of the new law is to ensure that guns are not made readily available to those with a history of violent behavior, mental disorders or a criminal record involving violence.

YOU DO NOT NEED A FIREARMS ACQUISITION CERTIFICATE FOR GUNS YOU ALREADY OWN, OR TO PURCHASE AMMUNITION.

Pee Wee Tournament

La Sarre Beats Minden in Finals, 3 to 1

The boys from La Sarre, Quebec took home the trophy in the first Minden Rotary Pee Wee Tournament at the arena, but it was not easy as they had to battle the host Minden team in the final game.

Minden made it to the finals with a 5-2 victory over Haliburton, then they dumped the highly touted team from Langton 4-2.

In the semi final against Langton, the visitors took an early lead at seven seconds of the opening period. At the five minute mark, Scott Hamilton tied the score with Kevin Warburton getting the assist.

The second period was scoreless with Minden checking the fast skating Langton team which resulted in many penalties to the hometown boys.

A shorthanded goal by Minden at the 15 second mark of the third period seemed to break Langton's back. It was Kevin Warburton from Scott Hamilton. Then Minden came back again to take a 3-1 lead when Doug Schell beat the Langton goalie set up from Jeff Stamp.

With six minutes left, Robbie MacLeod from Scott Yake made the score 4-1 for Minden. Langton managed to get one more on the power play but Minden hung on for a 4-2 victory.

In the final game against La Sarre, Minden saw the visitors score once in the first and twice in the second while Minden made their only goal in the third period when Kevin Warburton scored from Scott Yake. It appeared that the earlier game with Langton seemed to take too much out of the Minden club but despite this they went down like kings.

The consolation was won by Englehart defeating Peterborough who earlier had eliminated Haliburton.

A large turnout was evident both days as some fine hockey was witnessed.

Jack Hill President of Disability Chapter

The newly formed Haliburton Chapter For Children With Learning Disabilities has announced their executive for the coming year.

They are president Jack Hill of Lochlin; vice president Mrs. John Smith and secretary Nancy Picard, both of Haliburton Village, and Treasurer Yvonne Penney of Carnarvon.

An executive meeting will be held on January 8 at which time initial plans will be made for the organization.

Interested persons will be welcome to become members of the chapter and participate in the development of their program.

PLACE: Haliburton Health Unit Office.
Husbands welcome!

Memorium

DOWN WESTBROOK, Mable

in loving memory of my mother who passed away one year ago, December 28, 1977.
Have you ever lost a loved one,
Who was very dear to you,
One you loved so very much,
And miss her like I do?
Have you ever known the heartache,
Or ever felt the pain,
Or ever wept those bitter tears,
That drop like fallen rain?
If you have never had such sorrow,
I pray you never do,
For when God takes your mother,
He takes a part of you,
Your daughter, Bonnie

KINMOUNT CALLING

By Sam and Margaret Telford

"Think Metric In 1979

Minus 20 this morning! See, we are beginning to think Celcius! No matter what temperature, it is a beautiful winter day, and Kinmount looks like a picture post card village with its cover of snow.

Now in the New Year we will try to expand our knowledge of the Metric System. We know we cannot go 100 miles an hour, even though the signs say 100 and the cooking half of this team has gone so far as to buy a metric measuring cup.

Overheard at the birthday party of a man who had just turned 65, "It is a marvellous thing to have lived 65 years in this wonderful country of ours. From now on, I will put everything I can into each day, and hope that I reach the 70 mark."

We are very sorry to hear that Marguerite Curtin went back into St. Joseph's Hospital before Christmas. We feel sure that they will help her to become mobile again soon.

We went to our school's Christmas concert on December 18th, and it was fun. The children, talented or not, seemed to enjoy themselves hugely, and everything went smoothly. The teachers deserve a lot of credit for the direction and costuming and props which must have involved a great deal of work.

One little girl, we thought in future, could be a combination of Marilyn Munroe and Lisa Minelli. Wouldn't it be marvellous to be able to harness all that energy? We bet her mother thinks so too!

We would like to say "Good bye and good luck" to Joe and Erica Zeus who have sold their restaurant and will be leaving for Bobcaygeon, and eventually points south. Joe has always been very good about contributing to the various town organizations. He even allowed us to plug in the Christmas lights for the Cenotaph, and remembered to put them on each evening. Thanks Joe!

Christmas Carollers from the United Church sang for many of the town's people, especially shut-ins. There were fifteen of them, headed by Joyce Brown and Jane Dettman, and they sounded wonderful. The Ladies Auxiliary of the Kinmount Legion delivered boxes of fruit and candy to shut-ins this year.

Don't forget January 11 at 8:00 p.m. at Kinmount Library for the Annual Meeting of Kinmount and District Horticultural Society with election of officers for the New Year. All members, please try to attend.

We would like to say "Happy New Year" to our readers, and hope that they will increase. We think that "The TIMES", not New York, not London, but MINDEN, is doing a terrific job.

That's all. Good night and Happy New Year.

Sam and Margaret Telford

Home on Leave

Corporal Wayne Harrison of Ottawa arrived home during the holidays for a visit with his parents Mr. and Mrs. Lloyd Harrison of R.R. 2, Minden.

Corporal Harrison, who has been stationed in Ottawa for three years, missed Christmas but his arrival increased the season's cheer for family and friends.

Adult Skating

Wednesday evenings from 7:00 until 8:30 p.m. are reserved for adult skating at the Minden Arena.

This is the third season that the facility has been available and last year there were as many as 40 people participating and that number could be doubled.

There have not been as many present so far this year and interested skaters are encouraged to join the fun.

Zion News

The Zion United Church women of Carnarvon will be serving dinner in a real family atmosphere for all the Minden Winter Carnival goers again this year.

Roast beef will be on the menu and dinner will be served from 5:00 to 8:00 p.m. on Saturday, January 27.

Last year's turkey dinner was quite successful with about 250 guests served.

BLIZZARD WARNING!

New ski-doo BLIZZARD® 9500 PLUS
Trail. Lake. Flats. Own them all with the hot new twin from Ski-Doo. Liquid-cooled engine. Slide suspension, wide-stance skis, and racer styling let you be a blur on the trail.

Always read the small print!

It's your mortgage . . .

1/4 Of one percent on a 1st or 2nd mortgage doesn't sound like much, but over the years it can add up to thousands of dollars. Your dollars. That's why it'll pay you to talk to us before you take out a new mortgage. After all, it is your money and that's no small thing.

St. Patrick's News

Catholic Women's League Having Successful Fund Raising Season

Mrs. Ambrose Watson of St. Patrick's Catholic Women's League reports that the leagues December turkey bingo was quite successful.

According to Mrs. Watson over 100 people attended the affair, which was held by the CWL for the purposes of raising money for new church carpeting.

In the first week of hunting season, members held a Hunter's Dance which brought more profit than any previous year.
